

RECYCLE TO SUPPORT THE PROGIN FAMILY!

The Progin Family

Support the Progin Family!

Progin's Players is a running and walking team dedicated to providing support to the Progin Family. Hillsborough resident, Ian Progin, was diagnosed with a Glioblastoma Multiforme brain tumor in May 2011. Our official team sponsor, ERS (Electronic Recycling Services), is hosting a electronics drive to help raise additional funds for the Progin Family! A portion of all proceeds from the collection will benefit the Progin Family!
